

## NSS, Pavanatma College Murickassery

### Annual report for the academic year 2021-2022

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. The scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing students' personality through community service, NSS is a voluntary association of young people in Colleges and Universities working for a campus-community linkage.

The NSS activities conducted throughout the year 2021-2022 have made a significant impact on both the participating students and the community. Through various initiatives and programs, we have successfully addressed several social issues and contributed to the betterment of society. The dedication and commitment shown by our NSS volunteers have been commendable, reflecting their passion for community service and societal development. As we look forward to the upcoming year, we are determined to continue our efforts towards fostering social responsibility and creating positive change in society.
