PRINCIPAL SPEAKS

Pavanatma College, Murickassery, is one of the leading higher education institutions in Idukki District, governed and managed by the Dioceses of Idukki. Forty years ago, in 1982, the founders of this institution erected a multi-storied building with a strong vision to create a vibrant, enlightened community founded on a relentless pursuit of excellence, sustained by christian ideals and moral values, that promote responsible citizenship, effect social changes and endorse cultural transformation Our vision is to create a vibrant, enlightened community founded on a relentless pursuit of excellence, sustained by Christian ideals and moral values that promote responsible citizenship, effect social changes and endorse cultural transformation.

Aristotle once said that "Educating the mind without educating the heart is no education at all". Pavanatma over the years, has become a beacon of excellence that facilitates the holistic development of the individuals. We believe that education here will prepare the individuals for a highly networked and competitive world. We train our students to play a vital role in nation building process and contribute to progress of humanity.

This year we are reaching another mile stone, the Ruby Jubilee of Pavanatma. Forty years for any institution is a reflection of its core competence and success with your dedication. We are achieving great success and I would be glad if you contribute more in the future and make Pavanatma to grow more and make Pavanatma get success in coming years. All remarkable journeys begin with small steps.

With all my heart, I wish everyone all the best.
